2. We have now completed our enquiries about STEWART-SMITH and the only additional information which we have learned about him is that he is employed as a journalist with the "New Daily" - a right-wing newspaper founded by Edward MARTELL, the organiser of the British League for the Defence of Freedom and other anti-Communist organisations. He has recently been transferred to Tileyard Press Limited, a company formed by MARTELL to demonstrate that a non-union printing works was a viable proposition.

3. No adverse information has been received concerning the "Foreign Affairs Circle".

Yours sincerely,
